

Announcing a workshop to improve your classroom time with students ...

If you are a middle or high school teacher who would like to gain new skills and perspectives for improving your classroom time with your students, this workshop is for you! The Virginia Tech Hampton Roads Center and the Virginia Tech Richmond Center are again offering the successful Instructional Strategies workshop that will help you learn new techniques to improve the learning experience for your students. Topics include effective lessons, brain-friendly teaching strategies, alignment of assessment, reinforcement techniques, and relevant academic games and activities.

Instructional Strategies

November 16, 2009 - Virginia Tech Richmond Center

December 2, 2009 - Virginia Tech Hampton Roads Center

The \$125 fee (per workshop) includes six hours of comprehensive education, handouts, refreshment breaks and lunch.

For more information, contact Stacy Harvey, Virginia Tech Hampton Roads Center, at stacylharvey@vt.edu or phone 757.363.3930, ext. 302.
